Project Name	AI Powered Debt Relief & Financial Recovery Platform
Maximum Marks	1 Mark

Communication Plan:

Effective communication played a vital role in the successful development of the AI Powered Debt Relief & Financial Recovery Platform. Team members communicated regularly to discuss progress, resolve technical issues, review AI integration, and complete project deliverables on time.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team standup	Daily	WhatsApp, Google Meet	Team Members	Discuss daily tasks, assign work, and review progress
2	Progress Update	Weekly	Google Meet, GitHub	Team Members	Monitor development progress and milestone completion
3	Issue / Bug Discussion	As Needed	WhatsApp, GitHub	Development Team	Resolve coding issues, API errors, and integration problems
4	Stakeholder Review	Bi-Weekly	Google Meet	Team & Mentor	Collect feedback and review project functionality
5	AI Integration Review	Weekly	Google Meet	Backend Team	Verify Google Gemini API integration and AI outputs
6	Documentation Review	As Needed	Google Docs	Entire Team	Review and finalize project documentation

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Difficulty coordinating team schedules	Scheduled meetings in advance and used WhatsApp for quick communication.
2	Google Gemini API integration issues	Collaboratively tested API requests, reviewed documentation, and fixed

		configuration errors.
3	Frontend and backend integration challenges	Conducted API testing using FastAPI and verified React.js integration before deployment.
4	Database synchronization issues	Used SQLAlchemy ORM for consistent database operations and validated data integrity.
5	Documentation consistency	Assigned documentation responsibilities among team members and performed regular reviews.
